

*Migration ?*

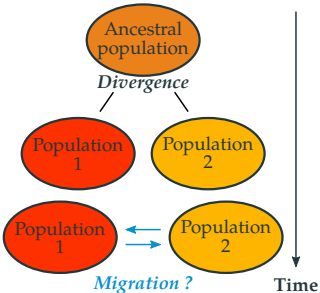

Impact of migration on the divergence  
between two populations

Impact of migration on the divergence  
between two populations

Statistical inference of the demographic  
history of two diverging populations

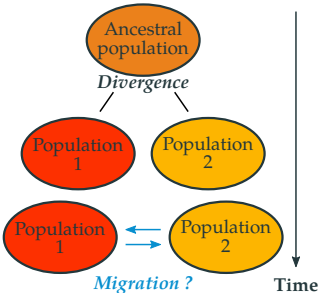

Impact of migration on the divergence  
between two populations

Statistical inference of the demographic  
history of two diverging populations

Transcriptomic data

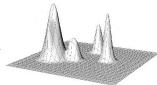

Impact of migration on the divergence  
between two populations

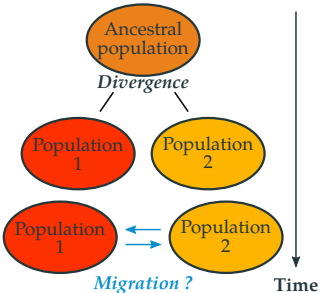

Statistical inference of the demographic  
history of two diverging populations

Transcriptomic data

Demographic simulations & likelihood maximisation

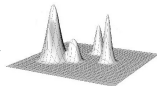

Impact of migration on the divergence  
between two populations

Statistical inference of the demographic  
history of two diverging populations

Transcriptomic data
